

This **certificate** is awarded to Gu Mingxuan
for winning the Predictive Analytics
Challenge in the **#turbohackathon** during
the International Management Meeting of
Voith Turbo.

24h

After **24 hour Hackathon**, each group had
to present their result **in front of 200 top**
managers of Voith Turbo.

We thank you very much for being part of
this event and **wish you all the best!**

Dr. Mathias Mörtl
COO Voith Turbo

Heidenheim, 2019-08-29
